It's nice.. Orcs vs Dwarves in an underground setting. This pack is EXTREMELY limited, only recommended if you intend on using other High Fantasy packs.. Good pack if you want a bunch of Dwarves and Orcs (in the Fantasy Style)!

One little thing I'm dissapointed about, is it doesn't come with Holder's style animated battlers that most of the High Fantasy packs include.

Still a very good pack, and worth the purchase.
